

# CITY OF LODI COUNCIL COMMUNICATION

**AGENDA TITLE:** Adopt Resolution Approving Traffic Safety Improvements for Stockton Street from 300 Feet South of Almond Drive to Kettleman Lane, and Appropriate Funds (\$8,000)

**MEETING DATE:** May 5, 2004

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** That City Council adopt a resolution approving the traffic safety improvements for Stockton Street from 300 feet south of Almond Drive to Kettleman Lane, and appropriate funds.

**BACKGROUND INFORMATION:** At the February 24, 2004, Shirtsleeve Session, staff presented the recommended traffic safety improvements for Stockton and Maxwell Streets as a result of the Neuharth Drive/Ackerman Drive abandonment. The proposed striping includes a two-way left turn lane on Stockton Street from Almond Drive to the left turn lane at Kettleman Lane. The proposed striping conforms to the future striping and layout plan for Stockton Street. With the recent subdivision improvements on Stockton Street, the two-way left turn can be accommodated at this time. At the study session, City Council discussed the need for a crosswalk on Stockton Street at Maxwell Street. The plan includes a ladder design crosswalk, pedestrian warning signs, and handicapped ramp located adjacent to the crosswalk (see attached plan).

The work will be performed with the Almondwood Estates subdivision improvements and prior to the abandonment. A contract change order will be issued to the developer, KB Homes.

**FUNDING:** Street Funds/Local Impact Fees: \$8,000

Affected Property Owners/Tenants

**APPROVED:** H. Dixon Flynn  
H. Dixon Flynn, City Manager

- NOTES:
1. Contractor shall install all lane line striping, pavement markings, pavement legends, sign posts, sign stubs, & signs as shown on plans.
  2. All striping and pavement legends to be sprayable thermoplastic per City of Lodi Standards.
  3. Cut tracking will be performed by Contractor and reviewed by Engineer prior to striping.
  4. Verify all sign post and pavement legend locations with Engineer prior to installation.
  5. All existing striping, markings, and markers that conflict with new striping shall be removed by approved method.
  6. Contractor to construct Midblock-Type 1 handloop ramp per City of Lodi Standard Plan 132D.

SUBJECT: Adopt Resolution Approving Traffic Safety Improvements for  
Stockton Street from 300 Feet South of Almond Drive to Kettleman Lane,  
and Appropriate Funds (\$8,000)

Enclosed is a copy of background information on an item on the City Council agenda of  
Wednesday, May 5, 2004. The meeting will be held at 7 p.m. in the  
City Council Chamber, Carnegie Forum, 305 West Pine Street.

This item is on the regular calendar for Council discussion. You are welcome to attend.

If you wish to write to the City Council, please address your letter to City Council,  
City of Lodi, P. O. Box 3006, Lodi, California, 95241-1910. Be sure to allow time for the  
mail. Or, you may hand-deliver the letter to City Hall, 221 West Pine Street.

If you wish to address the Council at the Council Meeting, be sure to fill out a speaker's  
card (available at the Carnegie Forum immediately prior to the start of the meeting) and  
give it to the City Clerk. If you have any questions about communicating with the  
Council, please contact Susan Blackston, City Clerk, at 333-6702.

If you have any questions about the item itself, please call Paula Fernandez,  
Senior Traffic Engineer, at 333-6800, extension 2667.
